Dear Friend,

Maybe spring hasn't quite sprung where you live—but in the fiction world, the sun is out and things are hopping! Here's just a little of what's going on:

Viola—a faithful Amishwoman—has tackled spring cleaning and uncovered a stunning secret: Her grandmother was an Englischer! (Gray's Days of Redemption *series, page 5.) Plucky Margaret O'Brien is busy saving her ranch (Coble's* Under Texas Stars, *page 10). Dangerous forces are stirring the Middle East (Rosenberg's* Twelfth Imam *series, page 14). And there's a friendly burger-flipping competition sizzling on Thomas Kinkade's* Angel Island *series (back cover).*

Meanwhile, love is blooming on pages 31–33; quilts (and hearts) are being mended on page 24; kids are adventuring on pages 34 & 35; and detectives are cracking cases left and right on pages 43–47. Now all that's needed is for you to choose a book, shake off the "winter blahs," and join the fun!

Wishing you a wonderful spring—and happy reading,

Christine

Dear Friend,

Whenever I go to a professional sporting event and watch the players warm up for the game, I wonder. Who on the floor or on the field has a strong faith? And which ones of them are surrounded by emptiness and loss even while the entire stadium cheers for them? It was with this mindset that I created the characters in The Chance. *Nolan Cook is at the top of his game in the NBA, but he searches the packed stands every night for the face of a girl he left behind when he was 15. When I thought about a character like Nolan, I was reminded of other real-life famous athletes known for their faith. What if a guy like that had a long lost love, and what if that girl had struggled on her journey? What if she was a single mom, not sure how to pay rent from one month to the next? And what if that athlete loved her? I believe* The Chance *is my favorite love story to date. It shows the love of Christ, the unconditional love that sees beyond struggles, sins, and consequences straight to the heart. All of us need a chance to love that way. And so, it is with a full heart that I bring you my latest novel—*The Chance.

See you on Facebook and Twitter! Love you all.

In His light,

The Chance

"*I can do all things through Christ who strengthens me.*" Relying on the promise of Philippians 4:13 has brought Nolan Cook a long way. A star basketball player for Savannah High School, he worked hard to achieve his dream to play in the NBA for the Atlanta Hawks. But his fame and fortune are tinged by sadness. When his father dies suddenly, his world is forever changed. There isn't a day that goes by when he doesn't miss his father's love and wisdom, and his feeling of loss is doubled when he thinks of Ellie Tucker.

When they were kids, Nolan was Ellie's protector and confidant. Their favorite place to talk was under a big ancient oak draped with Spanish moss at Gordonston Park. It was under that tree that Nolan spent his most cherished moments with Ellie—and experienced one of his most painful. When they were 15, Ellie told him she would be moving across the country because her parents' marriage had collapsed. Her father, a Marine Corps drill instructor, had asked for a transfer to a base in California, and he was taking Ellie with him. Nolan was crushed, but in a desperate bid not to lose touch with Ellie, he devised a plan . . . to write letters to one another, seal them in a metal box, bury the box under the oak, and return to that same place on June first 11 years later to read them.

Now that the date is approaching, much has changed. Ellie is a single mom and works as a beautician. Her faith, once vibrant, is all but dead. The one bright spot in her life is her 5-year-old daughter, Kinzie. But she hasn't forgotten Nolan Cook and sometimes watches the Hawks on television to get a glimpse of her old friend. But how can she keep her promise? Her ordinary life is far from the glamour of professional sports, and no matter how much she loves Kinzie, she has never lost the feeling of shame that comes with being an unwed mother.

The date means more than fulfilling a childhood promise. It could be *The Chance* for love Ellie and Nolan have been yearning for. Will they take it? Karen Kingsbury weaves a tale of heart-wrenching loss, the power of faith, and the healing balm of love. 352 pages, hardcover from Howard.

NEW! Beverly Lewis

The daughter of a "modern" pastor in Amish country, Beverly Lewis grew up surrounded by the rolling green hills of Lancaster, Pennsylvania—the inspirational backdrop for many of her best-selling stories for children and adults. She and her husband, David, make their home in Colorado, where they enjoy hiking, biking, and playing with their three grandchildren. They're also avid musicians and fiction "bookworms."

Dear Friend,

It's always a special honor to share my thoughts with you here. The Guardian *is the latest book in my* Home to Hickory Hollow *collection of novels set deep in the heart of Lancaster County Amish country.*

The kernel for this story popped off the pages of a country newspaper two years ago, while I was on a book tour. I just knew I had to write about a little girl who, unknown to the rest of her family, falls out of the back of an Amish carriage and disappears into the night.

There are several life gifts offered in this book, and I think you will love each one. For instance, the gentle encouragement found in the unlikely friendship between Jodi Winfield, a "modern and fancy" schoolteacher who has just lost her teaching position, and Maryanna Esh, the Amish Mamma *of Sarah, the little girl who goes missing.*

I wish you happy hours of reading as you return with me to Hickory Hollow and its winsome characters, including beloved Ella Mae Zook, the Old Wise Woman.

Home to Hickory Hollow Series

Coming March 26!

Love never follows the same rule twice in Hickory Hollow! Maryanna Esh is distraught when she discovers her 3-year-old daughter is missing after their trip to town! The young Amish widow is certain Sarah was in the buggy with the rest of her sleeping siblings, but could she have fallen out? Thanks to her neighbor Joshua Peachey, word quickly spreads through the Amish community, and the men comb the countryside, but only find the little girl's apron. Maryanna is beside herself. How is it possible that her littlest one has completely disappeared?

Joshua reassures the distraught mother that the community is trusting God for Sarah and that they will do all they can. Maryanna appreciates the widower's willingness to help, but she hopes he doesn't mistake her gratitude for something more. Handsome as Joshua is, his unusual habit of keeping pets—in the house, no less!—doesn't exactly make him husband material in her mind. In fact, if it weren't for her children's obvious need for a father, she would resist the notion of remarrying altogether. But Sarah's disappearance has pressed home just how much she could use a partner in life.

Meanwhile, Jodi Winfield is looking forward to house-sitting her cousins' Lancaster area home for a couple of weeks. The 27-year-old schoolteacher is glad for the distraction as her fiancé will be teaching English in Japan for a year. Jodi's happy for him but anxious about her own future in the classroom—especially with budget cuts looming. In the past, she might have turned to her faith to help her, but with the loss of her sister six months ago to leukemia, her heart has been filled with questions for God.

With so much on her mind, the last thing she expects to find on her morning run is a disheveled little girl on the side of the road. Taking the preschooler back to her cousins' home, she is mystified that there have been no reports of a missing child! It's as if the child appeared out of nowhere.

Jodi's determined to get the sweet girl back to her mother, but she never expected the little one would impact *her* so much. And Maryanna is hoping to see Sarah again—and praying for a man who will be more than just a father for her children. The third volume in the *Home to Hickory Hollow* series, Beverly Lewis's *The Guardian* is an inspiring story of love, faith, determination, and healing. 352 pages each, softcovers from Bethany.

NEW! Cindy Woodsmall

Amish Vines and Orchards Series

Coming in April!

Published to much acclaim in 2006, Cindy Woodsmall's first novel, When the Heart Cries, *quickly became a Christian Book Association bestseller—and revealed her real-life experience with Amish Mennonite and Old Order Amish families that so greatly enriches and enlivens her writing. Cindy lives in Georgia with her husband and the youngest of their three sons.*

What does it mean to be unique in a culture that cherishes conformity? In Rhoda Byler's case, it means that while she's respected for her green thumb and successful canning business, she's *also* suspected of practicing magic. And that causes problems!

In *The Winnowing Season,* she's hoping to put painful memories behind her and make a new start in Unity, Maine. Together with siblings Samuel, Jacob, and Leah King, she heads north by train and arrives at their newly purchased apple orchard. Surveying the 60-acre farm and abandoned greenhouses, they rejoice in its potential . . . but it doesn't take long to realize that reviving the trees may be the least of their challenges.

Why, Rhoda wonders, is Jacob—her trusted friend and sweetheart—absent when she needs him most? And why does his brother, Samuel, seem so conflicted about the time they spend together? Also troubling is Leah's budding friendship with Landon—a Englisch co-worker at Kings' Orchard. Rhoda worries that he'll fuel the restlessness her friend already feels, causing her to abandon the faith.

Tension mounts when a local journalist begins prying, and Rhoda gives an herbal tea to a young woman in town—with tragic repercussions. Confused and alone, she questions her gift of clairvoyance. Is it really of the Lord? Are people right to fear and distrust her? When she finds herself caught in an impossible romantic situation—pursued by Jacob *and* Samuel, yet misunderstood by both—she finds herself asking a familiar quesion: Should she pack her bags and flee yet again—perhaps to Sarasota, Florida, where nobody knows her? All Rhoda wants is to cultivate fruit in peace. Is she destined to be "rootless" forever? 336 pages each, softcovers from Waterbrook.

Days of Redemption Series

The Keim family is the cornerstone of their Amish community—but nothing is as perfect as it seems!

When Viola takes a job working at the local Mennonite retirement home, she strikes up an unlikely friendship with Atle Beachy—an elderly man whose only living relative is currently serving as a missionary in Nicaragua. While Viola understands the importance of mission work, she can't imagine leaving her father in the hands of strangers. It's not the Amish way. Even though she doesn't know Ed Beachy, she already doesn't like him for how he's abandoned his parent.

But when Ed makes a surprise visit to the retirement home, he immediately falls head over heels for Viola. Despite her cold attitude, he's determined to court her.

Viola can't deny the attraction, but she has no time to focus on her feelings. While cleaning out the attic, her family stumbles across a photograph of her grandmother—as an Englisher! After being unwavering pillars in the community for so long, the Keims begin to crumble. Viola's father, Peter, seems to be taking this startling revelation the hardest. When he starts acting strange, Viola is worried that he may even be turning to alcohol.

As Viola leans on Ed for comfort and support, she suddenly realizes that she must make a difficult choice. Will she marry Ed and go wherever he is sent? Or will she stay home and try to hold her family together?

A Patch of Heaven Series

Under Texas Stars Series

Born and raised on the grazing land that sprawls across Texas, Margaret O'Brien takes pride in her capabilities as a rancher. She's convinced that she's doing as good a job as her brother *would* have done if he hadn't died in the war. Having long given up on the ideas of a husband, children, and *ordinary* life, she plans to keep working the ranch from dawn to dusk for the rest of her years. But her meddlesome father hasn't stopped dreaming of little ones scampering about, so when he hires Daniel Cutler as a new foreman, she's frustrated and wary of both of them.

To top things off, Daniel doesn't have the cleanest of records. He swears he's turned over a new leaf, but how can Margaret believe a man who used to run with thieves? Sensing that he's hiding something, she won't give him the benefit of the doubt or any trust until she knows what's going on. Her safety and cattle are on the line!

Margaret's suspicions are right—well, half right. Daniel *is* keeping a secret, but it's not of a roguish nature. Seeing him in an entirely new light, she offers to help in any way she can. Now on the right side of the law, he's been trying to pull his younger brother out from the band of criminals he's fallen in with. Can Daniel save his brother from a life on the run, and will he be able to convince Margaret that she's *Safe in His Arms*?

The Jerusalem Chronicles

The weight of Roman rule lay heavily on Israel, and the signs of imperial oppression and corruption were everywhere. Roman cohorts were garrisoned in every district, the crucified hung on crosses, and the temple in Jerusalem was filled with moneychangers and merchants. But in the midst of this cruel domination ran an undercurrent of resistance proclaimed by one who cried in the wilderness, "Prepare the way of the Lord!"

David ben Lazarus heard that voice. The rich vintner from Bethany went to see the Baptizer with the hope that God would intervene and send his Messiah to save the Jewish people. He also began to hope for himself—that the Chosen One would heal his broken heart from his grief at the death of his wife and son, and that God would bring his rebellious sister, Mary, back into the family fold. But when he met the Baptizer's cousin, Jesus, he couldn't believe he was the one the prophets had foretold. Jesus was fearless when it came to speaking truth to power, but he was also gentle, compassionate, and loving. As David got to know Jesus, he became his friend.

When Lazarus died, his sisters Mary and Martha, his friends, and his slaves mourned. But *When Jesus Wept,* the end of the story became the beginning!

What's it like to be the beloved friend of Jesus? What's it like to die and then be raised again? Told from Lazarus's point of view, Bodie and Brock Thoene's first novel in the *Jerusalem Chronicles* series will sweep you back to the first century where you, too, will meet the Lord of Life. 304 pages, softcover from Zondervan.

Wild West Wind Series

Courage and faith, romance and humor thrive in Lauraine Snelling's *Wild West Wind* series set in the 1906 Black Hills of South Dakota!

As winter settles over the ranch, the Engstrom brothers are much on the mind of Cassie Lockwood. The way Lucas smiles at her should set her heart skipping. But it doesn't—and that concerns her. Shouldn't there be some attraction to him if they are going to be married? His vow to make her love him doesn't seem to be working, no matter how nice, considerate, and charming he is.

But Ransom Engstrom is another matter. After Cassie's train trip to a shooting competition, she realizes she misses Ransom more than Lucas. And then there's the look she catches Lucas sending Betsy's direction after church one Sunday. Is it just her imagination, or are she and Lucas drifting apart?

As spring approaches, Lucas takes a job at a nearby ranch to bring in extra money. His absence leaves a big gap for everybody. And his brief, distracted visits home leave Cassie particularly miffed at his odd behavior—but also a little relieved. To pass the time and distract herself, Cassie spends her days practicing her shooting.

Ransom, meanwhile, has discovered that he cares for Cassie—more than he ever realized. Yet even though he knows his brother is pursuing another woman, he can't bring himself to express his true feelings to Cassie. When she leaves the ranch to join a Wild West show, will Ransom find the courage to go after her before it's too late?

Land of Shining Water Series

Winsome, dynamic heroines unearth adventure and romance in 1890s Minnesota! Whistling a Christmas carol as she goes about the chores on her widowed father's horse farm, Merrill Krause has plenty to keep her busy. . . . Still, *The Icecutter's Daughter* welcomes a visit from granny and friend, Corabeth, when they arrive bearing gifts one frosty morning. Their present? An incongrously "ladylike" hat!

Stifling the irony, as she models it with her farm-muck-covered clothes, Merrill thanks them graciously—assuring them that it's just what she needs:

"It's very pretty, and I feel like a different woman wearing it."

Corabeth clapped her hands, then wrapped them once again around her mug of coffee. "I'm so glad. You can wear it for the church winter party in February."

"Maybe if you wear it to services sooner, you'll have someone ask to escort you to the party," Granny suggested with a gleam in her eye.

"I think it would take more than a pretty bonnet," Merrill said. "My brothers have scared off just about any fellow who showed an interest in getting to know me."

"Well, if a man can't stand up to those brothers of yours," Granny replied, "you needn't even consider him. A man ought to be able to hold his own with his wife's family. You don't want any mealy-mouthed ninnies to come calling."

"No, for sure I don't." Merrill replied. But it would be nice if someone *came calling.*

When newcomer Rurik Jorgenson crosses Merrill's path, it seems she might get her wish! He's not intimidated by her brothers, or her lack of femininity. But when Rurik's former fiancée tries to create a scandal, will it damage their chance at love? 352 pages, softcover from Bethany.

Micah had thought Lydia was cute, but when he had learned that she wasn't a Christian, he had halted his pursuit. There is no way the child could be his, and he's going to Boston to prove it.

Lydia is surprised to see Micah at her front door, but she is shocked when her father confesses to luring him there so she could marry him and provide legitimacy for her son, Nicky. When Micah gets home, he discovers that another "package" from his missionary brother in Poland is due to arrive. He normally picks them up around midnight, but this time he is being followed—by Lydia! The Twelfth Imam Series

All eyes are on the Middle East, but international scrutiny may not be enough to deter disaster. After months of worldwide speculation, Israel has successfully launched a first strike on Iran, wreaking havoc by taking out all suspected Iranian nuclear sites and six of their nuclear warheads. While the surprise raid is considered a coup for Israel, there's one problem. There were eight warheads—and now two are unaccounted for. Iranian rhetoric turns into reality when the Twelfth Imam orders a full-scale retaliation—a War of Annihilation waged on all enemies of the Caliphate. The world holds its breath as it waits to see what happens next.

United States president William Jackson is incensed that he hadn't been told about the missing warheads until hours after the attack. And he's even angrier when his aides tell him that nobody knows where the weapons are! Why can't they get the hard intel they need to deal with this "situation" in real time? Jackson and his advisors work feverishly to get the Israelis to stand down, but their pleas fall on deaf ears. It seems there's little doubt that the Middle East is poised to erupt in war.

But there's one small hope. Crack CIA operative David Shirazi has infiltrated the Iranian regime and gained the trust of high-level officials. His new mission is to find the missing warheads and destroy them before they leave Iran. As the clock ticks, David and his team deal with duplicitous informants, deceitful government agents, and religious radicals. Whom can they trust? Will they succeed?

Even the way she describes the family dogs will make you smile! One to read slowly and savor.*
