Dear Friend,

Have you noticed that half the world seems to be on a de-cluttering binge lately? So how can you reconcile the urge to simplify with the season of gift-giving? The answer is—as always—books! Everyone loves to receive them; they take up very little space; and, when finished, each and every faith-building title can be passed on to another eager reader . . . thus the cycle of blessing continues!

Ready to start your list? Here are a few ideas:

(1) Beth Moore's new book on page 12. Yes, that *Beth Moore! The beloved Bible teacher has launched into the world of fiction-writing—with lovely results.*

(2) Jane Kirkpatrick's latest historical page-turner. Her loyal fans will not be disappointed! (See my review on page 19.)

(3) For you animal lovers and bargain hunters—Melody Carlson's heartwarming new 3-in-1 collection on page 30. (A cat, a dog, and a pony for $5? That could only *happen at CBD.)*

Wishing you a blessed Thanksgiving and Christmas season—and happy reading!

Christine

The Wish

When lively, Arkansas-born Gloria Gingerich moves to Lancaster County, lonely Leona gets the "sister" she's always wanted—and a whole new "extended family" to boot! Coming from a staid and sober household, Leona can't help admiring the Gingeriches' youthful, joy-filled ways. Grateful for each other's friendship, the girls soon become inseparable. But their happiness ends one terrible day when Gloria's parents clash with the strict new bishop, and they're expelled from the church.

As suddenly as they arrived—for reasons nobody seems willing to discuss—the Gingeriches move back to Arkansas. Gloria disappears from Leona's life, leaving only sadness and unanswered questions behind.

Years pass with no more news of her friend, and Leona misses the Gingeriches terribly. As she grows into her courting years, nobody can replace the kindred spirit she found in Gloria. She wonders what's become of her and whether she really knew her friend as well as she thought. But at least there are distractions—such as the romantic attentions of Tom Ebersol, the deacon's hard-working son.

Tom is patient in his courtship of Leona—waiting until his partnership in his uncle's construction business is secure before proposing. Three years into their relationship—with spring in full bloom—he asks her to be his bride, and Leona delightedly agrees. But just when everything seems to be moving forward as it should, Leona finally hears from Gloria and learns some deeply disturbing news: the Gingerich family didn't just leave *Pennsylvania*. They've abandoned Amish ways *altogether*.

Burdened by this new knowledge, Leona knows she has to do something to help her friend. Surely if she goes to visit Gloria in Arkansas, she can persuade her to return to Lancaster and the church. It seems like the right thing to do. But far from being supportive, Leona's family—and her fiancé—are deeply skeptical of her plan.

Tom knows that his own father was one of the brethren responsible for confronting Joe Gingerich before his hasty departure. He also knows that Leona's heart is in the right place, but he worries. Remembering Joe's defiance, he frets that the banned family might even attempt to woo his beloved Leona away from Colerain Township. But that's absurd, isn't it? He should trust Leona. It's only a short trip. What harm could come of it?

When Tom finally relents, Leona sets out to visit her long-lost sister-friend. She can't wait to see Gloria again. But will her dearest *Wish* lead to her undoing?

Follow the romantic ups and downs of the Fisher family in Lancaster, Pennsylvania! In *The Cherished Quilt*, soft-spoken Christopher Hochstetler arrives to work in his *onkel* Hank's harness shop in Bird-in-Hand. On his first day, co-worker Emily greets Chris as she does everyone—with warm words and a friendly smile. So she's more than a little confused when he responds with frosty indifference.

What would cause someone to be so unfriendly? Emily wonders. While she frets over the reason for Chris's coldness, he struggles to find his place miles away from his parents' farm in Sugarcreek, Ohio—and wrestles with dark memories he can't escape.

As time goes on, Emily begins to piece together Chris's mysterious past—and learns his secret. He's grieving his younger brother, killed in an accident. Clearly, he needs a friend! So Emily resolves to become one. But how can she comfort him when his heart is so closed off?

The Angel of Forest Hill

When Rose Kurtz arrived in the tiny village of Forest Hill four years ago, Joel Dienner had just lost his wife, Florence, to childbirth, and she had been sent by her bishop to care for the children. After a few weeks, Rose agreed to marry him for practical reasons only. His children—especially newborn Grace—needed a mother to care for them; she couldn't continue to live in his house as a single woman; and she didn't want to go home.

But in the ensuing years, Rose has grown to love Joel deeply. Can she find the courage to tell him?

Joel knows that his relationship with Rose is unusual—*especially* in an Amish community! When his father had taken him aside and said that his only choice was to marry her, he'd complied for the sake of his family. And when he could finally see beyond the heartbreak of losing Florence, he'd found himself married again.

As his grief fades, Joel's affection for Rose grows. But how does he tell his wife that he loves her? What will he do if she feels differently? Does he owe it to his children—*their* children—to keep his emotions to himself? 208 pages, hardcover from Waterbrook.

A Baxter Family Christmas

As Christmas approaches, the Baxter household is filled with anticipation and bustling with activity. Faith and family have always been the glue that's held John, Elaine, their kids, and grandkids together—especially during the holidays. Yet in spite of the joy they feel as they prepare to celebrate Christ's birth, sadness lingers in their hearts. Painful memories of the deaths of their beloved Erin; her husband, Sam; and three of their four daughters in a tragic car accident two years ago are never far from their minds.

Prompted by grief and recognizing an opportunity for healing, John invites a surprise guest to Christmas Eve dinner—Kendra Bryant, the transplant recipient who received Erin's heart. Erin's sister Ashley and her brother, Luke, are upset that their father has asked Kendra to come. Guardians of Erin's surviving daughter, Amy, they fear that their 10-year-old niece will be devastated if she's confronted with the woman who lives because her mother died.

Kendra is also struggling with John's invitation. She's thankful that because of Erin she has a second chance—but she's confused about *why* she's been allowed to live. Her crumbling marriage to her emotionally distant husband, Moe, has blighted her sense of purpose. She hopes that the Baxters' unwavering faith in the Lord may help her find the happiness she seeks for herself and her husband—and prays for Moe even though she's not sure God is real.

Meanwhile, Maddie, the 18-year-old daughter of Brooke Baxter and Peter West, is also seeking peace this Christmas. For 13 years she's carried a heavy burden of guilt because she feels responsible for an accident that left her sister, Haley, with intellectual disabilities. The only person who's been able to penetrate Maddie's remorse and lift her spirits is Connor Flanigan, Jim and Jenny's 19-year-old son. He's everything Maddie has always wanted in a man. He's charming, compassionate, and a believer. But she knows she can't get involved with him. After all, if Haley can't have a normal life, then why should she?

Heartwarming, touching, and overflowing with inspiration, Karen Kingsbury's *A Baxter Family Christmas* brings together two families who are yearning for love, redemption, and peace in the wake of loss. Will this be the most difficult—or the happiest—holiday they've ever experienced? 208 pages, hardcover from Howard.

Lately she's been spending as much free time as she can spare with Sophie Potter so that Sophie can remain independent—and in her own house for as long as possible. But when James tumbles into Sophie's kitchen one night while Zoey is there, she's taken aback by the spark she feels. Knowing that he's determined to embark on a global adventure, she tries to stay at a distance. But will her heart win out after all?

While she's delighted to have more time for her family, she can't shake her desire to protect her town. Charlie is determined to change the zoning laws to allow for more commercial business and real estate development, a move that is sure to change the dynamic of this charming historic community—and Emily refuses to sit around and let that happen. But her actions land her in hot water with the new mayor *and* her family. When a debilitating snowstorm strikes just before Christmas, can Emily put aside her grievances and extend help to Charlie as he struggles to handle his first major disaster?

The Undoing of Saint Silvanus

Jillian Slater is completely blindsided when she receives a call that her alcoholic father has been murdered on the streets of New Orleans. It's not like they were close. She hadn't seen him or Olivia Fontaine—her grandmother, known to family members as "the Ice Queen"—for nearly 20 years. But when Adella Atwater, the wily manager of Olivia's apartment house, assures her that all her expenses will be paid if she flies from San Francisco to New Orleans for her father's burial, the offer is too good to pass up—and it provides an escape from her controlling, two-timing boyfriend.

What Adella doesn't tell Jillian is that the refurbished apartment house was once known as St. Silvanus, a church with a painful history that still haunts its halls. Jillian tries to fit in with the quirky but charming residents, including David, an eccentric middle-aged music teacher; Mrs. Winsee, a sweet elderly lady with dementia; and Caryn, a harried medical student. In contrast to the warm-hearted acceptance of her fellow lodgers, Jillian's cold, distant grandmother makes it clear that she's barely welcome—especially since Olivia had no idea she was coming!

Meanwhile, strange happenings at St. Sans have everybody spooked, and Jillian has no wish to stay in a place where she's not wanted. But Sergeant Cal DaCosta, the police officer in charge of her father's murder investigation, hopes she'll stick around town for professional *and* personal reasons. When Jillian is befriended by free-spirited Stella, they bond instantly. And as their friendship deepens, Jillian moves into Stella's apartment temporarily—just until she can make arrangements to return to California.

One day when Stella is out, Jillian makes a shocking discovery that prompts more questions than answers. Was her father's murder premeditated? Who's behind the baffling messages and odd relics left on the steps of Olivia's apartment house? Can her family really be cursed because of events that took place nearly 100 years ago at the church? Finally, is *she* the killer's next target?

Beth Moore's first-ever novel, *The Undoing of St. Silvanus,* weaves a suspenseful tale of saints and sinners who bond together to save a young woman from physical and spiritual danger. Will their efforts—and God's grace—be enough to defeat the dark forces that threaten her? 480 pages, hardcover from Tyndale.

Sunset Cove Series

In windswept coastal Maine, sinister secrets abound! In *Twilight at Blueberry Barrens*, everything is going wrong for Kate Mason. A doomed blueberry harvest causes severe financial concerns, her mother and Uncle Paul are both in prison, and her best friend has taken a job and moved away. She urges Kate to join her, but something keeps Mason tied to the family business.

The one bright spot in her life is that she's reunited with her twin sister, Claire. The two were separated by bizarre events when they were children. They're enjoying a day together on the rocky shore and are thrilled to discover nesting puffins—birds that don't usually come to the island. But then Kate spots something else that shouldn't be on the cliffside—two dead bodies.

Drone designer and businessman Drake Newham's sister-in-law was murdered. That much is sure. Sheriff Colton of Summer Harbor believes Drake's half-brother Heath Emerson did it, then committed suicide. But strange things continue to happen that make Newham believe the truth is otherwise—and probably related to Heath's career as a defense attorney. Now that he's raising his two young nieces, Drake makes the decision that all three need to get out of Boston for awhile, to a place where he can be certain they're safe. He and Heath spent formative time as kids with their Aunt Dixie in Summer Harbor, so it seems like a perfect choice—he can dig into the case and the girls will be secluded and secure. He decides to rent a cottage and find a nanny.

The first person he meets as he enters town has just finished redecorating a house and needs a job—Kate. After the mutually shocking discovery that she was the one who found his brother's body, they begin to sense a growing attraction to one another.

Drake is equally surprised by Summer Harbor. He'd thought it was the innocent place of his memories. But when a tourist is raped and killed, Kate's Uncle Paul escapes from prison, and someone seems to be stalking her, Drake realizes he was mistaken!

Is Paul the misunderstood father figure Kate remembers from childhood—or a profoundly evil and dangerous killer? Will Drake find out the truth about Heath and Melissa? And can Kate let go of her past for a future with Drake? Find out in Colleen Coble's latest *Sunset Cove* novel! Approx. 350 pages each, softcovers from Nelson.

A city girl at heart, she wants nothing to do with the property and intends to sell it. That's just fine with the people of Whales Reef. After all, she *is* an American and a woman! Yet rowdy fisherman Hardy Tulloch also has designs on the post—and is backed by Jimmy Joe McLeod, a ruthless Texas oilman who's plotting to take control of the island.

From the best-selling author of *The Harbinger* comes a treasure chest filled with hidden mysteries, revelations, secrets of the ages, and answers to humanity's most enduring questions!

While journeying aimlessly through a Middle Eastern desert with no particular destination in mind, a traveler encounters a strange man identified only as "the teacher." And so his adventure begins. During his one-year odyssey through desert mountains, valleys, gardens, and plains—where he discovers nomadic tent dwellers, chambers filled with ancient scrolls, life-transforming truths, and more—the traveler keeps a journal in which he records the spiritual revelations conveyed to him each day by the teacher.

The Christmas Angel Project

Five women from different walks of life have become close friends through their book club—enjoying one another's company even more than they enjoy the reading! So when Abby Wentworth, the group's leader, unexpectedly passes away on the cusp of the Christmas season, the four remaining members are stunned.

They agree to meet one last time to open a package Abby left for them. Inside, they find a heartfelt letter calling them "her angels" and four personalized cherub ornaments she'd planned to give them. Inspired by the handmade mementos—and Abby's life—the quartet decides they'll become Christmas angels to those in need.
