Andy Stanley

Dear Pastors,

Once upon a time, there was a version of our faith so dynamic it captured the attention and eventually the heart of the very empire responsible for crucifying our Lord. Once upon a time, the church was *irresistible*.

I believe the church can be irresistible again. I'm convinced that much of what makes the average church so resistible are the very things the church must resist. Likely, you have seen what I've seen—college freshmen who just had their biology professor rip their faith to shreds or the family that suddenly stops going to church because they had a "bad experience." I still haven't heard a story about anyone who abandoned Christianity based on anything directly related to the claims of Jesus. Not one. The reasons presented are always connected to the peripheral, nonessential elements of our faith.

I've committed my life to helping the church and its leaders recapture *irresistible*. Jesus left us with specific instructions. The apostle Paul left us with a foolproof approach. The first-century church modeled the way. Nobody in that group sat around waiting for God to do something . . . else. God had already done something.

The church changed the world once. There is still much about our world that needs to change. To be the catalyst it once was, the church must recapture the essence of *irresistible*. I pray that idea makes your heart beat a little faster; it does mine.

Following in the footsteps of his father, Charles Stanley, Andy Stanley is continuing the tradition of excellence in ministry. A graduate of Dallas Theological Seminary, he's the founding pastor of North Point Community Church in Atlanta, Georgia, and the author of several books and DVD studies, including *Address the Mess*. Andy, his wife, Sandra, and their three children live near Atlanta.

Enemies of the Heart

Do you have a chronic heart condition? Not angina or arrhythmia—but guilt, anger, greed, or jealousy? These four emotions undermine our relationships and cause us to miss out on God's best. Learn how to diagnose your infirmities and then turn to the Master Physician for healing. Previously published as *It Came from Within!* 224 pages, softcover from Multnomah.

The Book of Revelation: The New International Greek Testament Commentary

SAVE $32

G.K. Beale

According to Beale, the Book of Revelation is not merely a futurology—it's about how the church should live for the glory of God throughout the ages. Providing careful verse-by-verse exegesis, he reveals that John's challenging vision is best understood not by current technologies or politics, but by Old Testament Jewish imagery and allusions. 1309 pages, softcover from Eerdmans.

Romans: Zondervan Exegetical Commentary on the New Testament

NEW!

Frank Thielman

Created for pastors and Bible teachers, Thielman's outstanding commentary on Paul's epistle is packed with essential features. It treats the literary context and structure of each passage in Greek and provides an original translation, exegetical outline, explanation of the text, and theological application. Zephaniah, Haggai, Malachi

Iain M. Duguid & Matthew P. Harmon

Zephaniah warned the inhabitants of Judah about judgment—and encouraged them to seek God. Haggai assured the people that God would bless them when they rebuilt his house. And Malachi testified that God wouldn't abandon those who strayed. Devotional and expositional, this commentary reveals how the prophets point us to Christ's sufferings, the Lord's forgiveness, and eternal glory. 224 pages, hardcover from P&R.
