Francis Chan

Dear Pastors,

Finding the right mentor can be life-changing. The wisdom they've acquired from years of experience can guide you in choosing the right paths, challenge you to achieve goals you thought were beyond you, and point out perspectives—both helpful and harmful—that you might never discover alone. Perhaps that's why faith has often been passed on this way throughout the church's history. From Moses to Joshua, from Jesus to his disciples, from Paul to Timothy, from veteran to novice pastors. That personal, one-to-one human interaction will never be replaced. But it *can* be supplemented, augmented, enhanced—by books.

We don't have to tell you that pastoring, especially in a small church, can be lonely. You do something the congregation can't do. That's why they hired you. But it also explains why they don't quite understand your work. They imagine you alone in the empty pews praying for hours and thinking deep thoughts—when the day-to-day reality more often involves hospital rooms, community functions, lunch meetings, and late Saturday nights. Fellow pastors understand, but they're as busy as you are—and also in need of mentors.

That's why reading about another shepherd's experience of the Christian life can make a world of difference. A book reflects the depth of hundreds of the author's best hours of soul-searching, prayer, and reflection. It quietly invites you to spend an extended period of time with another pastor—and allows them to more fully express what they're trying to say. How many of us met C.S. Lewis personally? Yet generations have been "mentored" by reading *Mere Christianity*.

CBD and this Pastors' Resources Catalog strive to serve those in the ministry. Obviously, we can't package and ship you a perfect mentor—but we can introduce you to *books* that will empower and inspire you in your journey the same way. As you browse through this issue, keep an ear out for the writers and titles that are "speaking" to you . . . they have a lot of helpful advice and support to offer!

Sincerely,

Christian Book Distributors

Pastoral Epistles

William D. Mounce

Regarded as a window on early church practices, the Pastoral Epistles are the subject of debate concerning their authorship. Drawing on Acts, extrabiblical traditions, and the disputed letters themselves, Mounce marshals evidence to support the placement of these documents within the Pauline corpus. A spirited defense demonstrating the relevancy of the letters for today's church. 641 pages, hardcover from Zondervan.
