

2s & 3s (24 - 36 Months)

Scope & Sequence

As little ones grow from toddlers to 2s and 3s, their hearts are becoming fertile ground for the seeds of God’s Word. This two-year program provides quarterly **Teacher Guides** and beautiful, full-color **Bible Visuals** for easy, effective teaching every week. Two- and three-year-olds love the character-building stories about Mitten and Boots, and they enjoy the colorful activity sheets, stickers, and simple crafts. Take-home papers feature the Bible story and character story in a format designed especially for this age group.
