

# MEGA SPORTS CAMP AT A GLANCE

Hi! My name is Blake. My church used MEGA Sports Camp® for our VBS. Follow me as I tell you what it was like.

**REGISTRATION:**  
Each day I headed here first. On the first day I got to choose a sport for the week—so I chose flag football.

**CLOSING RALLY:**  
All the kids got together again one last time each day for a fun Bible story. What a GREAT day!

**OPENING RALLY:**  
Everyone started each day here. We learned some fun songs that really got us warmed up.

**SPORTS SESSION 3:**  
Now we got to actually play—almost like a real game. We even kept score. It was really fun.

**SPORTS SESSION 1:**  
We broke off to our different sports. My flag football coach was great. My friend was in soccer where she learned how to dribble a soccer ball!

**HALFTIME RALLY:**  
At Halftime, all the kids headed to the concession stand for a snack. Then we headed to the Rally for the sports story.

**COACH HUDDLE:**  
Here we sat with our coach as he shared some stories that helped us learn about the MEGA Point.

**SPORTS SESSION 2:**  
We went over the skills we learned earlier and then played some fun gamelike drills.

## WHAT HAPPENS AT A MEGA SPORTS CAMP OUTREACH?

### Sports Training

Kids love sports, which is why you may get up to 90 percent guests. Every day kids go to three sessions to learn new skills. Choose to offer just one sport or as many as you have coaches for.

### Coach Huddle Small Groups

A highlight for kids is connecting with their Huddle Coach for small group time. It's easy to get men who enjoy sports involved. Then men's involvement in kids' ministry often goes up after camp is over.

### Large Group Rallies

Everyone comes together three times during the day for fun songs, sports stories, interactive Bible stories, and response time. On Day 4, often up to 20 percent of the kids ask Jesus into their lives. Volunteers tell us that's the best part of all.
