Choosing the right team to host a MEGA Sports Camp outreach is a lot easier than you might think. Each role is specialized, so no individual has too much of the load.

Part of the success of a MEGA Sports Camp outreach is kids seeing sports leaders sharing the Bible and Bible leaders getting involved in sports.

**Step One:** Begin by thinking about the role(s) you will fill. Will you be a Head Coach for one of the sports? Lead the Bible rallies? See the chart on the next page for help in deciding which roles work well together. Whichever role(s) you choose, plan for kids to see you involved in sports and rallies, and encourage all volunteers to do the same.

**Step Two:** Now think about who you need to recruit for the other roles. This section defines many of the areas for which you’ll need volunteers. After reading it, use the work sheet on page 46 to plan how you will fill these roles. Here’s a brief summary of what you will need.

### 1—SPORTS TIME TEAM

Think about the sports you are going to offer. You need one Head Coach for an average-size group in each sport (up to 25 athletes). The Head Coach is in charge of that portion of your Sports Camp. Print those names in Section 1 on page 46.

Now add one Huddle Coach for every 5–8 kids within each sport. Make sure you allow space for kids who haven’t preregistered. Record those names in Section 3 on page 46.

### 2—RALLY TIME TEAM

The main parts of rallies are leading music, sharing sports stories and Bible stories, and guiding Huddle Coaches as they present the gospel message. Think about the Head Coaches and Huddle Coaches you have in mind. Which roles can they fill easily during the rallies? Kids love seeing their coaches up front, plus it adds power to the message. Then consider what additional help you may need to add. Record your choices in Section 2 on page 46.

**COACH’S CORNER**

Recruit Head Coaches first. You may even want to decide which sport(s) to offer based on who can coach.

**HOW DO I RECRUIT VOLUNTEERS?**

- Pray about who should be a part of the team.
- Consider asking people who love sports, but may not usually volunteer for kids’ ministry.
- Personally invite people to fill the roles. Give them a deadline to respond.
- Use the bulletin inserts provided in the Forms Section of the Flash Drive.
- Show the volunteer commercial from the Flash Drive during a church service and provide a sign-up sheet for those who are interested.
3—SUPPORT STAFF
Finally, recruit others who will help out at Sports Camp. These individuals help camp run smoothly. Fill out Section 4 on page 46.

TIPS FOR EQUIPPING YOUR STAFF
Once your staff has been recruited, you will need to equip these people to do their jobs. Follow these steps to prepare your staff. A comprehensive planning list is provided on pages 62–66.

- Order Coach T-shirts for all adult and teen volunteers.
- Order a Coach Huddle Guide for each Huddle Coach.
- Order any additional equipment needed for the rallies and Sports Sessions (e.g., Evangelism Keepers).
- Invite the coaches and volunteers to the MEGA Sports Camp Volunteer Training.
- Give each volunteer copies of the appropriate job description and any additional pages they need from this Director Guide.

See the following pages and the printable resources on the Flash Drive for sign-up sheets to help with recruiting volunteers.
