

# Sample Phone Script

The following script can be used when making follow-up phone calls to visitors who attended your church's Vacation Bible School. Fill in the parenthesis as appropriate.

Hello, this is (*name*) calling from (*church name*). I just wanted to call to thank you for allowing your child(ren) to attend Vacation Bible School at our church. We enjoyed having them and sharing the love of Jesus with them.

I would like to invite your entire family to attend (*insert church event*). I will be happy to meet you in the church foyer to show you to your classroom or arrange transportation to the event if you need it.

Do you have any questions about our church or programs that I can answer for you at this time?

Thank you again for sharing your child(ren) with us during Vacation Bible School. We look forward to serving you and your family soon.
