<b>Theme Overview</b>	Join the trip of a life-time to Australia where kids marvel at the unforgettable wildlife, culture, and beauty. Explore the wonder and value of life, from the lives of preborn babies to eternal life in the kingdom of God.	In this medieval town, children and adults learn God Leads Moses and Me where nothing is too hard for the Lord! This Renaissance fair follows how God worked in Moses' life, and how He also loves, calls, saves, guides, and cares for us.	Children get on a roll with God as a parade of Food Trucks rolls into their neighborhood. Kids are invited to pray as Jesus teaches, remembering that everything we have comes from God and He meets our daily needs.	Explore the ways God's great light shines in the world and shows everyone how they can reflect that light in their own lives.	A science lab conducts experiments that explain how things are possible. Jesus did impossible things. At God's Wonder Lab, discover that Jesus does the impossible for us.	Spark imagination and kick creativity into high gear. The Master Artist is working to redeem, reclaim, and transform us to the design He planned for us. Kids learn we all are His workmanship.
