SCOPE & SEQUENCE • Preschool

Two-year scope and sequence for children ages 3 and 4.
 Children go through the Bible one time in 2 years, learning basic Bible stories. Shared scope and sequence with pre-K and K age level.

“HeartShaper allows the children to become a part of the story. A grandmother and preschool teacher told me one day that her 3-year-old granddaughter came home from church and told her how Jonah was swallowed by a whale (gulp, gulp) and then he was spit back out! She even did the sound effects when she told her grandmother. The children get excited about the stories. I also love the Heart Tugs take-home.”
