

SonQuest Rainforest Super Starter Kit Contents

The best value for getting started on your VBS! This kit contains all the planning and teaching materials you need to run the most common VBS centers (Bible Story Center, Snacks Center, Games Center and Crafts Center). A complete course guide for Preschoolers is also included! If you plan to do a lot of decorating, go all out with large group assembly times, or if you just want to see everything before you make your decision about planning VBS, the Super Starter Kit is the best option and the best value. Not only does it include a sample of all the student must-haves like Student Guides and Connection Cards, but it also includes the *Decor & More* book and Poster Packs, plus all of the cool extras for large group assembly like the *Music Leader DVD* and *Assemblies Guide DVD*.
