Because of Bethlehem

Max Lucado

More than 140 million readers have found inspiration in Lucado's writings. Here he addresses why there is so much hubbub about the baby being born to Mary and Joseph. What does this birth have to do with us? Was Jesus Israel's Messiah? Does God know what it's like to be human? The gospel story in a nutshell. 224 pages, hardcover. *Nelson.*

Seeing Jesus from the East

Ravi Zacharias & Abdu Murray

In the West, Christianity is viewed through the lens of its Greco-Roman heritage, but in the East altogether different features surface. Here Zacharias and Murray emphasize such values as story, honor, sacrifice, vivid imagery, and reward. Instead of a linear, propositional Jesus, we encounter one who dramatically changes lives and priorities. 256 pages, hardcover. *Zondervan.*

SHOP EARLY AND BEAT THE CHRISTMAS RUSH!

400TH ANNIVERSARY OF THE MAYFLOWER

There are a number of interesting organizations promoting literacy and reading. Have you heard of PJ Library? Each year it distributes 2.2 million books to more than 200,000 children across the U.S. and Canada. It's a Jewish group and the "PJ" stands for pajamas, since so often parents read to their children just before bedtime. Children as young as six months old can start receiving books, until the age of eight.

The books are selected by a committee with the goal of promoting Jewish values, traditions, and themes. Questions are posed: Is the story suitable to the age group? Is it engaging to both children and parents? Will the book prompt family discussions? Can the book be read again and again? A good example is *The Chameleon that Saved Noah's Ark* by Yael Mochadsky. Sometimes the group reprints important out-of-print titles. In fact, the program has been so successful, it even recruits writers and illustrators to come up with their own concepts.

Are there ways to encourage such groups or organizations in your church or community? Our catalog has plenty of good books for every age and interest; our website is even more expansive. With a little ingenuity and industry building the right program, who knows what might happen?

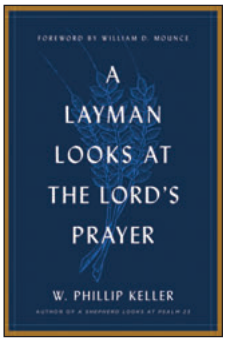
A Layman Looks at the Lord's Prayer



W. Phillip Keller

The Lord's Prayer is recited by Christians around the globe. But have you scrutinized each phrase's meaning? How is God like a human father, and also quite different? Why is God's name to be hallowed? Does God actually care about our physical needs? Are temptations part of God's will? A most worthwhile read! 176 pages, softcover. *Moody.*
