KR232741 Rainbow Playground Ball **5.99**

A wooden Noah's Ark toy set. The main box is made of light-colored wood and is open, showing a colorful illustration of Noah's Ark with a rainbow and various animals. Inside the box, there are several small wooden cards with animal illustrations and names. Some of the cards are placed outside the box, showing animals like a lion, a giraffe, a zebra, and a monkey. The cards are made of light-colored wood and have a simple, cartoonish design. The text 'NOAH'S ARK' is visible on the lid of the box. The background is a plain, light-colored surface.

A collection of white index cards with numbers and symbols, some in a blue tray and others scattered. The cards are numbered 1 through 12, with some having additional symbols like a circle with a dot or a circle with a cross. The cards are scattered on a dark surface, and a blue tray is visible in the background.

The image displays a variety of educational toys and materials. At the top is the box for a board game titled 'HEAVENLY TREASURES', which features a cartoon angel and a treasure map theme. Below the box is a large, detailed board game mat with a grid, a path, and various illustrations of children and objects. To the left of the mat is a circular spinner divided into four colored sections (yellow, green, blue, red) with numbers 1, 2, 3, and 4. In the foreground, there are several small cards: a blue card with a circular pattern, a red card with the number '6', and a green card with the number '6'. The background is a plain white surface.

A group of four diverse children are sitting around a white table in a classroom, engaged in a board game. The game board is a large map of the United States with various state names and colorful illustrations. The children are using small, colorful game pieces (red, green, blue, yellow) to move across the board. One girl is wearing a blue bow in her hair. The background shows a colorful classroom environment with a blue carpet featuring large yellow and green polka dots.

LET'S READ

HOW TO OBSERVE NATIONAL MARCH INTO LITERACY MONTH

1

Pick up a journal and write

Good reading and writing skills go hand in hand. It's a good idea to encourage children to begin writing as early as possible, and journaling is a great way to start.

2

Read to your children

Start storytime in infancy! As they grow older, encourage them to be a part of the story, and make an effort to keep reading a priority in your home by making it a family activity that is fun, engaging, and something you can do together.

3

Play word games

Whether on a computer screen, with boardgames, or flash cards . . . make literacy a fun part of every day!
