

God Creates the World

Genesis 1:1-25

"And may you have the power to understand, as all God's people should, how wide, how long, how high, and how deep his love is."

(Ephesians 3:18)

God always loves us... and gives us all we need to live.

It's an amazing world you live in, and nobody knows that better than Jesus.

Why? Because from the very beginning of the beginning, he helped create it.

He knows what you need to feel safe and loved in this life. Those moments you feel warm and wrapped up in a hug? That's him letting you know you're loved!

And those moments your stomach does flip-flops, or you're lonely or afraid about what's coming next? He's with you then, too.

He's next to you, slipping his hand into yours. And there's nothing the two of you can't tackle together.

Jesus is your friend, and he's with you through thick and thin. No matter what you're going through, he gives you what you most need to live: the gift of himself.
